Quick Bite: July 21, 2010 Safe Deposit Security, Liability & Self Services Boxes 90 Minute Quick Bite

11:00 a.m. – 12:30 p.m. EST
Speaker: David McGuinn

The safe deposit area is a pit of hidden liability for your new or experienced Branch Manager, Auditor, Compliance Officer, Security Director or any safe deposit employee. More and more successful attempts are being made nationwide to fraudulently or illegally enter a renter's safe deposit box. This session will provide valuable information to assist you in reviewing your own internal security procedures. No matter the size of your safe deposit operation, this presentation provides a well-organized method of auditing your vault security before a catastrophe occurs.

What You Will Learn:

- What details about two safe deposit loses have TV reporters covered recently?
 - Did the motion picture "Bank Job" help burglars plan a New York vault heist?
 - How can a con man open a safe deposit lock in 3 seconds, without a key?
 - How long will it take a burglar to penetrate your safe deposit vault wall?
 - Why must we avoid phrases like "burglarproof" or "waterproof" vault?
 - How can FDIC or NCUA signs, logos and brochures create liability?
 - How can you avoid locking someone inside your vault overnight?
 - What questions will always be asked in any safe deposit lawsuit?
 - Are you leaving anyone inside your vault alone? BIG MISTAKE!
 - Do self-service boxes lose money or improve your bottom line?
 - How can renters access boxes 24 hours a day, 7 days a week?
- Plus: Many recent safe deposit lawsuits and horror stories.

Speaker: David McGuinn, President of Safe Deposit Specialists, is a former banker with 40 years of safe deposit experience. Having trained over 250,000 safe deposit personnel in all 50 states, he is often referred to nationwide as the safe deposit GURU. He travels the nation assisting financial institutions with their safe deposit training, compliance and security needs. His presentations provide the latest information on current lawsuits, internal employee thefts, self-service boxes, suspicious activity requirements and correct vault security procedures. McGuinn's "Safe Deposit Police and Procedures Handbook" is now the accepted standard for the financial industry.
